WORLD MEETING OF FAMILIES 2018 first National Church collection will take place this weekend 28/29 May in all Churches. In 2018, the 9th World Meeting of Families is expected to attract thousands of Catholic families from around the globe to Ireland. It is hoped that this very special pastoral initiative will present all of us in the Church with the opportunity, and the challenge, to renew, support and strengthen Irish families in their commitment to their faith. Hosting a global event of this size requires a huge amount of planning and financial outlay on behalf of the host country. Accordingly, our bishops have now established a National Finance Committee to provide advice on the financial planning for the World Meeting of Families in Ireland. To support the hosting of the event we intend to hold three national church collections, the first of which will take place this weekend of 28-29 May. The remaining collections will take place in 2017 and 2018. Please visit worldmeeting2018.ie for more details.
