An Invitation

You are warmly invited to a Synodal gathering in February, in the parish of Bohermeen. The word "synodal" means journeying together and these gatherings will be an opportunity to share and listen to each other's experience of Church, in an organised, gentle and prayerful environment.

Why are you being invited?

Pope Francis has asked all of us to take part in sharing and listening to each other and to the Spirit. In this way we are beginning to lay foundations for our future together.

The invitation is to all the baptised. Eventually, all the responses will be collected in time for the 2023 Synod in Rome.

What will happen at the gatherings?

Parish Animators have been trained to lead the gatherings in a reflective, prayerful atmosphere. Questions will be presented on the evening and people will gather in small groups to share on each question and listen to each other.

Each small group will have a leader who will help everyone to have the opportunity to share and will collect the feedback from the group.

Questions

*When you think of your experience of Church, what brings joy?
When you think of your experience of Church, what brings sadness or anxiety?*

*When you think of your experience of Church, what brings hope?
How can we, as Catholics, create a real sense of welcome, belonging and inclusion in our parish community?*

Please remember we are being asked to listen with understanding, to respect each other's experiences, and to try to walk in the other person's shoes.

What will happen to the feedback?

The Animators, will sort the feedback into similar themes. This will form the basis for a Report to the Diocese. The feedback will be used by the Parish Team and Parish Pastoral Council to help in pastoral planning.
