'We are called to be a welcoming caring faith community who bring people to Jesus who sends us out with Good News for all'.

Seeing your Life through the Lens of the Gospel by John Byrne OSA. The Intercom

When we are not expecting it to happen, even a good event can startle us. So it was with the disciples when Jesus appeared to them. He sought to calm them and helped them to see the good news behind what had initially alarmed them. Who has been a Jesus person for you by helping you to find meaning and good news in life?

2. Jesus helped the disciples to find new hope, but he did not give them easy answers. He asked them to see the facts before their eyes. He wanted them to learn from the lived experience they were having. As a parent, teacher, friend, or guide, have you been a Jesus person to another, helping him/her to find hope and purpose in life by learning from his/her experiences? Who has done this for you?

3- Jesus opened their minds to 'understand the scriptures', and the effect was transformative. Perhaps there have been times when a new and deeper understanding of scripture has had a transformative impact on you. Recall the experience and give thanks for those who opened the scriptures for you.

4. The resurrection experience empowered the disciples to be witnesses. Unexpected possibilities for the future surfaced when it seemed that hope had gone. When have new possibilities opened for you after a 'resurrection' experience: recovery of health when it did not seem possible, new opportunities after failure or disappointment, inner healing after a deep hurt, etc.?
